

G R Arun Kumar

Chief Financial Officer- *JioStar*

With a career spanning close to three decades of diverse Financial Leadership across marquee Global Organisations and Indian Conglomerates, Arun bolsters JioStar's focus on maintaining financial agility and rigour as it grows its footprint and accelerates decision-making across markets. In his current role, Arun leads the Finance and Commercial Functions and works closely with the Board, Chief Executives and Senior Business leaders to drive growth, profitability, and financial resilience. He plays a pivotal role in supporting growth initiatives, enhancing profitability and building long-term financial resilience as the Company advances its digital-first strategy. He will be focused on enhancing ROIs across our investments and enhance the value of the platform over the next few years.

Prior to this, Arun served as the Group CFO and Head of Strategy for Welspun Group where he oversaw finance, planning, mergers and acquisitions, compliance, and investor relations. He's also held Senior leadership positions at Organisations like Hindustan Unilever, Vedanta, General Electric, and OLA, working across India and International markets. Arun's experience spans the full breadth of finance, strategy, operations, stakeholder management, and value creation.

Arun's career is driven by entrepreneurship and value creation, fired by passion, excellence, technology & can-do spirit. He is an All India 17th, South India 1st Rank in CA and has been a College Gold Medallist in his Graduation days.

He is a fitness enthusiast and loves to read, invest over his free time.
