

India, Get Ready to Experience *Dhurandhar* Like Never Before — RAW and Undekha on JioHotstar from May 22nd

Watch trailer [here](#)

Mumbai, May 21st, 2026: After setting theatres ablaze and emerging as the biggest blockbuster ever, *Dhurandhar* is now set to make its way into homes across the country. From bustling cities to small towns, audiences across India will be able to experience the world of *Dhurandhar* on JioHotstar from May 22 in its RAW and Undekha version.

Streaming in its raw and unfiltered form, the film offers viewers a deeper and more immersive look into the world of *Dhurandhar*, with undekha moments crafted specially for audiences on JioHotstar. Whether discovering the film for the first time or revisiting the blockbuster, viewers can expect an intense cinematic experience packed with action, drama, emotion, and larger-than-life storytelling in its truest form.

With JioHotstar taking *Dhurandhar* beyond theatres and into every corner of India, the film for the first time is now set to reach audiences far and wide, making one of the country's biggest cinematic spectacles more accessible than ever before.

Presented by Jio Studios, a B62 Studios production, *Dhurandhar*, written, directed, and produced by Aditya Dhar, produced by Jyoti Deshpande and Lokesh Dhar, uncovers the untold saga of the origins of the unknown men.

Dhurandhar's arrival on JioHotstar also brings a first time advertising opportunity for brands, offering unprecedented reach on streaming around a title that has redefined filmed entertainment nationally in recent months.

About JioHotstar

JioHotstar is one of India's leading streaming platforms, formed through the coming together of JioCinema and Disney+ Hotstar. With an unparalleled content catalogue, innovative technology, and a commitment to accessibility, JioHotstar aims to redefine entertainment for everyone across India.
